FOREIGN/OVERSEAS DELIVERIES: In Addition to BASIC S & H Add Minimum \$15 (Canada \$2). Actual charges in excess of \$15 will be billed and must be paid before delivery. Deliveries which incur excessive postage (like books) will be shipped surface all regular shipping charges still apply.

Due to heavy overseas postage costs, such orders will be held until they can be completely filled and then they will be shipped. However, these orders will be held only one month, after which they will be released with all remaining back-orders cancelled.

Returned checks are subject to a service charge of \$20 or the maximum allowed by law. Collection cost and all penalties will also be assessed.

Orders containing an invalid or declined charge card will automatically be canceled. You will have to reorder. You will be notified by e-mail only.
